Communication

We send out all our information, reminders and general matters of interest by email, as 98% of our members use email. This is both for speed of communication and cost effectiveness.

We appreciate that some members may not wish to use a computer, but it may mean that you might not be aware of our most up to date information or news regarding our meetings etc. We would therefore like to encourage everyone to at least consider 'going on line', and we have the IT Group and our Internet Support team who would be pleased to help with advice and any initial setting up you might need, if required.

Visit our website for our latest news at <https://thorley.u3asite.uk/>
